

InstaVoice
ReachMe

Africa, now get free incoming calls on international roaming, over data

A new-gen voice over data solution, that supports GSM to VoIP call conversion, ensuring last-mile call connectivity to unreachable numbers.

A Seamless Voice over Data Calling Experience

- Mobile operator detects the called party's number to be unreachable and forwards the call to ReachMe
- ReachMe converts incoming GSM call to a VoIP call, answerable over data
- The called party answers the call via a smartphone app, completing last-mile connectivity

Travelling abroad?

Activate ReachMe and get free incoming calls to your own number! Save on roaming charges.

Need an international SIM?

Buy local or international numbers right from the app, and start receiving calls instantly.

Carry multiple numbers?

Link them to ReachMe and get free incoming calls for up to 10 numbers.

About Kirusa

Kirusa is a global leader in providing communication solutions over data networks for consumers and enterprises. Kirusa's solutions include **ReachMe**, a voice-over-data solution to help users receive their GSM calls over data in a mobile app, while helping carriers leverage the power of data to enrich the calling experience of their subscribers; **InstaVoice®**, a unique call completion solution for users that bundles voicemail, missed calls, availability, and ring, and helps mobile carriers monetize missed calls in their networks; **Kirusa Konnect™**, a Communication Platform as a Service (CPaaS) for enterprises that helps bolster brand-customer engagement over mobile channels; and **InstaVoice Channels™**, that offer users access to live voice blogs from their favorite celebrities, sports clubs, news portals and other streams. Kirusa solutions are deployed in 44 countries, with 50 mobile carrier partnerships in Africa, Asia, and LatAm. Kirusa solutions are built on its patented technology and highly reliable, scalable multimodal & cloud platforms, which manage over 2.5 billion calls and 100 million active mobile users across the globe, every month. Headquartered in New Jersey and led by an experienced team of wireless telecom executives and technologists, Kirusa has offices in four continents. For more information, visit: www.kirusa.com
