

InstaVoice

Africa's Favourite Call Completion Service

With 100 Million Monthly Active Users and 100 Billion calls managed till date, InstaVoice is Africa's most preferred Call Completion service, powered by the cloud.

InstaVoice's holistic offering integrates voicemails and missed calls for hassle-free access to unreachable numbers over data, while increasing operator ARPU by 2-4%.

Centered around an intuitive visual app, InstaVoice enables you to link multiple SIMs, and view your voicemails and missed call alerts for up to 10 numbers, in a single app.

VoiceMail and Missed Call Management Done right

InstaVoice provides the best-in-class visual voicemail experience, delivered in a unique chat-like interface. Think of it like WhatsApp for voicemail and missed call alerts.

With advanced features such as voicemail transcription and personalized greetings, delivered over the cloud, InstaVoice makes managing your voicemail, effortless.

Features: Miles Ahead of Competition

Access Voicemail Anywhere

Be it voice commands on Alexa, a tap on your smart watch, or a new email, InstaVoice is accessible on any Internet-connected device.

Save time by reading your voicemail with transcription

Link Up to 10 numbers for voicemail & missed call alerts

Set personalized voicemail greetings for individual callers

Delete voicemails that were delivered to the recipient

What's new? Receive Incoming Calls over Data

Activate the ReachMe feature and answer your incoming calls over data for all linked numbers. Even when they're unreachable or switched off.

About Kirusa

Kirusa is a global leader in providing communication solutions over data networks for consumers and enterprises. Kirusa's solutions include **ReachMe**, a voice-over-data solution to help users receive their GSM calls over data in a mobile app, while helping carriers leverage the power of data to enrich the calling experience of their subscribers; **InstaVoice®**, a unique call completion solution for users that bundles voicemail, missed calls, availability, and ring, and helps mobile carriers monetize missed calls in their networks; **Kirusa Konnect™**, a Communication Platform as a Service (CPaaS) for enterprises that helps bolster brand-customer engagement over mobile channels; and **InstaVoice Channels™**, that offer users access to live voice blogs from their favorite celebrities, sports clubs, news portals and other streams. Kirusa solutions are deployed in 44 countries, with 50 mobile carrier partnerships in Africa, Asia, and LatAm. Kirusa solutions are built on its patented technology and highly reliable, scalable multimodal & cloud platforms, which manage over 2.5 billion calls and 100 million active mobile users across the globe, every month. Headquartered in New Jersey and led by an experienced team of wireless telecom executives and technologists, Kirusa has offices in four continents. For more information, visit: www.kirusa.com
